Synthetic Surfacing / ChilesPlay®

Are constant wet pour repairs eating into your limited maintenance budget?

Fed up of repairing an area only to see it damaged again?

At Notts Sport we have the solution and its ChildsPlay!

- Did you know you can easily and cost effectively cover all rubber surfaces with VHAF NottsSward synthetic carpet and the result is a brand new surface that children love and vandals hate.
- It's unique construction makes the VHAF NottsSward surface highly resistant to vandalism whether from a knife, graffiti or fire attack.
- It can be used to cover most rubber surface regardless of age or condition.
- Can be fitted around existing equipment or used during an equipment replacement program.
- Why spend budget on new surfacing during a refurbishment when you can resurface with VHAF NottsSward?
- System will retain its existing fall height.

Fully installed from £35 per sqm

Notts Sport can provide free advice which includes:

- A no obligation site survey
- Full service report
- Funding
- General cleaning and maintenance
- Refurbishment over wet pour installations
- Upgrade of existing area
- Total new installation
